## WHAT TO BRING ON THE DAY OF YOUR APPOINTMENT

1. NHS appointment confirmation letter (digital or printed copy)
2. Valid original passport
3. Guarantee or reference letter from a sponsor/ employer
4. For minors (17 years old and below) who will not be accompanied by their parents during the medical examination
  - Birth certificate
  - Letter of authorization stating that the companion or guardian is authorized to sign on behalf of the parent/s (*Note: The companion or guardian must be knowledgeable about the minor's medical history.*)
  - Copy of parent/s's valid government-issued ID bearing a verifiable signature
  - Valid government-issued ID of the companion or legal guardian bearing a verifiable signature

5. For applicants with a history of pulmonary or extra pulmonary TB treatment
  - Chest x-ray films/images (preferably in a CD/DVD), if available, 6 months or older prior to the JPETS medical examination
  - Medical records/TB DOTS records, if available
6. We only accept cash payments.

<b>REMINDER</b>
-----------------

If you are undergoing pulmonary or extra-pulmonary TB treatment, we encourage you to complete the treatment before scheduling your appointment for JPETS.

<b>MEDICAL EXAMINATION FEES</b>
---------------------------------

AGE GROUP	EXAMINATIONS	AMOUNT
0 – 4 years old	Interview + Physical Examination + IGRA	Php 7,445.00
5 – 14 years old	Interview + Physical Examination + Chest X-Ray	Php 8,755.00
15 years old & above	Interview + Physical Examination + Chest X-Ray	Php 8,755.00

**Notes:**

The abovementioned fees include the following:

- cost of TB screening, additional chest x-ray views, and sputum examinations, when required
- cost of chest x-rays (PA and lateral views) for applicants aged 0-4 years old with positive IGRA results.

They do not, however, cover the cost of treatment of active tuberculosis (TB) or latent tuberculosis infection (LTBI).
